CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Curriculum is planned and designed by the affiliating university and the same

is followed and implemented by the college in accordance with the guidelines issued by the affiliating university and Department of Higher Education. Senior Associate Professors of the college participate in Board of Studies meetings held at affiliating university level and impart useful suggestions related to curriculum planning and designing. At the beginning of session, the members of the departments are apprised of any changes in curriculum if any. College provides a well designed schedule/timetable for Semester/Annual U.G. and P.G. classes. Teachers deliver lectures as per the approved syllabi in each subject. Classes are held as per assigned time-table under the supervision of college administration. A fully automated central library is available to students with separate reading rooms for boys and girls, offering the students perfect atmosphere of peaceful reading and consultation of reference books on the curriculum aspects. The library facilitates the students by subscribing to a large no. of Newspapers, Magazines and Journals for Science, Arts and Commerce streams. The effective delivery of curriculum is done by duly qualified teaching faculty by adopting chalk and Black-Board method and with the help of scientific models, charts, maps and other audio-visual aids. Group discussions intra-class quiz competitions, essay writings and speech and declamation contests under the aegis of various literary and cultural societies and paper presentations by students on assigned topics add to the effective delivery of curriculum and comprehensive improvement of the personality of the taught. Adequate infrastructure facility is made available to the students for their practical classes. For comprehensive development of the personality of learners, educational tours are organised by departments and Trips and Tour committee of the college. Experts are invited for delivering extension talk to students on topics of advance studies. Regular class tests and project assignments are given to the students for their regular assessment in each semester. Viva-voce in practical subjects are done to assess the performance of the students in academics. Tutorial classes are conducted to facilitate the weak students to cope up with the deficiencies in academics. College administration maintains a vigilant eye on the results, departmental proceedings and student needs and also keep record of the various activities of the college regarding teaching- learning, personality development and improvement in different methods of effective curriculum delivery.

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Feedback from Students: The college has developed a definite mechanism for collecting feedback from the undergraduate and postgraduate students who are regularly evaluated through class tests, quiz contests and extempore class presentations on assigned topics. The students are evaluated for internal examination awards after analysing their performance in class tests, allocated assignments and attendance in lectures. Grading of the students is done on the basis of their performance. Tutorial classes is the ideal platform in the college for taking student feedback on activities and programmes conducted in the college, wherein the students are counselled for career opportunities and the students grievances are listened by the Teacher Incharges. The teacher mentors take feedback from the students on teaching learning environment and the same is reported to the Principal who analyses the reported matters with senior colleagues in college council meetings and devise appropriate solution for further improvement in educational environment in the campus. Feedback from Teachers: Feedback from the college teachers is collected through staff meetings held periodically in the college. The suggestions extended by teachers are taken note of and the same is analysed at the administration level and proper steps are taken to forward the suggestions to higher authorities for implementation. Feedback on enhancing curriculum, academic discipline and teaching learning process in the campus is taken from the teachers and the college administration utilises the suggestions for further improvements. Feedback from Employers: The placement and career guidance cell of the college is a medium for taking feedback from stake holders. Our students participate in job fairs and the resultant performance of the participants is analysed at the college level to cater to the needs of employers and stake holders. Employers and stakeholders are invited to deliver extension talks to the students to apprise them of job opportunities and the procedures they are expected to

follow during campus interviews. Feedback from Alumni: The college maintains healthy association with the alumni and collects feedback from pass out students at the time of farewell meetings held at the completion the course. The former students who excelled in academics, sports, cultural, N.C.C., N.S.S. activities are invited on the occasion of Annual function wherein they exchange their experiences and the feedback received from them is analysed and implemented for enhancing positive practices at the institutional level and scope for further improvement. Feedback from Parents: Feedback from parents on the existing educational environment is collected as and when they approach the college authorities to inquire about the academic progress of their wards. The valuable suggestions rendered by them about quality of teaching, discipline, sports facilities, lab facilities, library facilities and student amenities are taken note of by the college administration and the same are discussed at college council meetings for further improvement in future.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The college strictly follows the syllabus and internal assessment criteria fixed by the affiliating University mentioned in the reform details of academic session 2014 2015. The college puts up every effort to improve performance of students by framing significant reforms in continuous Internal Evaluation at its own level. After the completion of the prescribed course, various remedial measures are taken by conducting tutorial classes to clarify doubts and by reexplaining the critical topics. Students are also encouraged to solve previous year's university exam question papers. Poor performance, due to frequent absenteeism, is resolved by sending telephonic messages to the parents of such students. Whats app group of P.G. class's students is created to deliver messages regarding class activities. Through this group all the notices related to the examination and academics can be sent and communicated to all

the students. Hard copies of the same are also displayed on the college noticeboard. Slow learners are well monitored and helped regarding their academic issues and concerns and advanced learners are encouraged by reviewing their performance in the class. The answer sheets of class tests, for internal assessment, are returned to the students after assessment with proper instructions and valuable suggestions. The teachers show the weaknesses of the students in the answer papers which help the students in understanding the mistakes made by them in their papers. In case of any objections, the concerned student's tests are shown to them and the matter is resolved to the satisfaction of the students through inbuilt mechanism of the department. Seminar presentation of the subjects is taken at both U.G. and P.G. level. Topics of seminars and assignment are allotted by the concerned teachers after discussion with the students. The institution regularly conducts group discussions, debates, symposium, essay writing competitions and extension lectures by experts to upgrade the academic graph of the students along with improving their communication skills.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

In the beginning of the academic session, the students are apprised of academic calendar which is finalised by the affiliating university. CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Two Practices of Decentralization and Participative Management The Principal of the college is the sole authority of decision making. But, all the members of staff also play significant roles to participate in the decision making system of the college. There is a College Council and IQAC which is chaired by the Principal in which senior members of the staff participate in the proceedings and important decisions in respect of staff, students and the college are taken. There are also different associations and cells such, as Literary, Cultural Social Science, Science, Commerce Society and Women cell, Placement Cell etc. in which teachers are In Charges or Nodal Officers who participate and take decisions during general meetings and conduct various activities. The

heads of departments take decisions regarding academic innovations and other related activities in consultation with the members of staff. One of the senior members of staff is assigned with the responsibilities/duties as Bursar who is considered a vital member of decision making body. Decentralization The College is implementing the policy of delegating authority and providing operational autonomy to all the various functionaries to work towards decentralized governance system. 1. Teachers Level Teachers are given operational autonomy, representation and authorised as Conveners/Nodal Officers in various committees/cells and allowed to conduct various academic, cocurricular, and extracurricular activities to showcase their abilities. The Annual Duty List is circulated in the beginning of the year in which they are nominated, motivated and guided for effective implementation of curriculum and improvement in quality culture in the institute including sports library, store etc. and other related facilities. 2. Student Level Students are given due consideration, representation and empowered to play an active role as a coordinator with the incharges of committees to conduct various cocurricular and extracurricular activities, social services etc. An identified team of students is also authorised to represents students' views, difficulties and concerns to be brought in the notice of Principal and teachers in a proper systematic manner for timely redressal. Participative management The College is also committed to promote a culture of participative management by involving the Teachers and students in various activities and concerns. Most of the decisions in the college are taken after consultation with the faculty's members, staff and due consideration to the students. Strategic Level The principal, viceprincipal and staff members are involved in deciding the rules regulations pertaining to admission, timetable, workload, discipline, student's grievances, counselling and their training, development and placement services etc. The staffs Meetings are conducted with regular interval, in which members meet, discuss, share their opinion and plan for the smooth and systematic conduct of various programs and events. Functional Level At functional level the faculty members participate in sharing the knowledge by discussing during faculty meeting on the latest trends in Teaching methodologies and educational technology. Staff members are involved in deciding courses to be introduced/ discontinued and preparing proposal for augmentation and maintenance of infrastructural facilities in the institute. They are also motivated to write research papers in journals and to attend refresher/orientation/short term courses etc.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Curriculum is designed and prescribed by the affiliating university and some of the teachers of the college play important role in designing the curriculum as member BoS (Board of Studies) in the university. The college implements the curriculum effectively in letter and spirit as per the direction of the university.
Teaching and Learning	Steps taken in this direction are: Effective classroom teaching. Studentscentric additional knowledge. Reference of various internet sites for

	getting relevant material other than the prescribed books. Regular class tests and assignments. Interclass contests
Examination and Evaluation	There is separate House Exam committee headed by Registrar, House Exam at the college level. The final examination and evaluation is done at the university level. Regular class tests are conducted. Question and answer sessions are held.
Research and Development	The college always supports the faculty for undertaking any research work. It offers good reference books for the research purpose. The teachers attending seminars and conferences are paid TA/DA and Registration fee by the college. Provision of Study Leave for doing Ph.D. in service.
Library, ICT and Physical Infrastructure / Instrumentation	New General books , competitive books and syllabi centered books have been added in the library during 201516. Separate reading rooms for staff and students in the college library. Well equipped laboratories. Bank facility in the campus. Primary health centre. Well maintained ground for sports. Badminton Court. Well furnished classrooms.
Human Resource Management	Administration of the college is decentralized. Director, Higher Education Haryana is the highest governing authority. Principal is head of administration at the College level assisted by College Council, HODs and other various committees constituted annually. Separate internal examination and evaluation branch.
Industry Interaction / Collaboration	Exposure visits and educational tours are organized every year. Campus placements are held. Send students for field work, workshops and internship programmes.
Admission of Students	Online applications are invited for admission to various UG, PG and diploma courses. Admissions are made purely on the basis of merit against the number of sanctioned seats available in a particular course.

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Administration	The E governance System is functional in the college through the system developed by the Department of Higher Education, Haryana as well as by the

	College Administration. The Department of higher education, Haryana issues notices and circulars through online portal, in Google sheets and through emails etc. and the College complies all the instructions through email and other electronic means. In addition, the college tries its best to keep in touch with latest electronic tools of administration such as Biometric Attendance System, WiFi facilities, installation of CCTV Cameras in various strategic locations in the campus and communication through creation of Whats app Groups etc.
Finance and Accounts	The College collects the entire fee and funds from the students through online system of Higher Education, Haryana and uses the software of e treasuries, Haryana for billing of salary and utilisation of various grants sanctioned for the purpose of maintenance augmentation of infrastructure and other facilities. The college is also registered as a buyer on Government Electronic Market (GEM) to procure various articles/goods for development purposes. The college conducts regular audit of annual books of accounts. The administrative office keeps the all financial records separately as per the events and transactions made for. The administrative office maintains the Books of Accounts properly which helps in audit process and procedure.
Student Admission and Support	The most important key factor of the college is the transparent students admission system. The admission process in both types of course i.e. UG and PG Level is made through Online System of Higher Education, Haryana purely on merit basis and college also coordinates in this process by updating the sanctioned intake, course combinations and fee structure of all the programmes. The Scholarships are offered to deserving and needy students to encourage them to take up Higher education. This incentive falls in line with the motto of Higher Education of the State. The College also entertains the claim of such students and put them for further process through online system and get the amount sanctioned. As the amount of scholarship is sanctioned, the same is disbursed

	through RTGS/NEFT in the respective accounts of the beneficiaries without any delay. It is also pertinent to mention here that College has extended helping counters free of cost for the students as such filling utility for Admission forms, Examination form as well as Scholarship Forms.
Examination	The College has the separate Examination Department equipped with ICT tools necessary for examination purposes. As per the requirement of University, all the Registration Returns, Continuous Returns of the students and examination forms are filled through the web portal of concerned university. In addition, all the internal assessment and practical awards are also uploaded through web portal of the concerned university. During the Examinations admit cards and confidential lists of the students are uploaded by the university on the web portal of the university with college login ID and the examination department download, takes the printout of the same and issues the Admit cards to students, and confidential lists to the respective centre superintendent.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Govt. College Bhiwani is a Co Educational Institute which was incepted in the year 1971 with the efforts of founder of Haryana and the then Chief Minister of Haryana Ch. Bansi Lal Ji. The college runs in two shifts morning and evening and offering courses both at UG and PG Levels. The college with its rich history of achievements in areas of academics, sports and cultural activities is held in high esteem not only by the student's fraternity but also by citizens in general. In addition to the fact that institute has completed 45 years of its glorious accomplishments, the college also intends to introduce a clean, green and a pollution free atmosphere which shows its distinctive feature to provide a healthy environment for the entire campus and an effective learning experience for students. We firmly advocate the policy of environment conservation and also aim at enabling our students reach their full potential as well as helping them find creative healthy ways to enrich both the quality of education and the quality of life at campus. Our college has distinctive campus with a range of flora in it. The college is well known for its continuous efforts to maintain the campus environment distinctive and lush

green. There are uncounted trees and plants in the campus of 33 acres. The inclusion of medicinal plants at college campus i.e Tulsi, Neem, Aloevera, Giloy, Ashwagandha and other plants like Ashoka, Parizaat and Jatropha etc. makes the atmosphere lively at campus. The college authorities ensure that the practices followed in the campus are healthy and environment friendly. To formulate the idea of green campus, a college level 'Campus Beautification and Eco Club Committee' has also been formed. The committee looks after the cleanliness, plants, trees, water supply etc. College organises regular drives of tree plantation with a wide variety of trees to make campus green. Botany Department is looking after Herbal Garden and plants of saplings received from different places. Proper guidance and training to students and staff is also being provided by Botany Department. NSS Camps have also focused on cleaning the campus, utilizing the waste water and proving healthy natural atmosphere in the campus. There are ornamentally diverse plants like China rose, Petunia, and Chrysanthemum etc. in the lawns. The college keeps on organising poster making and slogan writing competitions and other events to raise awareness among students and they are sensitized for saving water and electricity and are discouraged to use plastics. The college promotes maximum use of ICT and demotes the use of paper. There is a ban on the plastic file covers, plastic bottles, polyethene bags to promote and bringing a healthy environment in the campus. To aware the local residents and passersby of nearby areas about the environment protection our college also took initiative in the plogging activity in which staff and students picked up trash and plastic bags while jogging or walking as a way of cleaning up litter while also taking care of fitness.
