CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Though curriculum planning and designing is primarily done at the affiliating

university level and the implementation of the same is done at the college level following the guidelines issued by the affiliating university and Department of Higher Education Haryana, but some senior Associate Professor of our college in the capacity of members of various U.G. and P.G. Boards of Studies participate in meetings held at university level and impart useful suggestions related to curriculum designing for various courses offered to the students in the institution . Through departmental meetings, members of teaching faculty are apprised of any changes in curriculum every year. The college implements curriculum delivery to students of U.G. and P.G. classes for semester/annual scheme through well designed schedule/timetable. Teachers of the college deliver lectures in accordance with the weekly/monthly lesson plans as per the syllabi. Classes are held under the supervision of college administration. Well developed and updated fully automated central library with separate reading facility for staff, boys and girls benefits the stake holders and students by providing perfect atmosphere for peaceful learning. The subscription to a large no. of Newspapers, Wifi facility, magazines and journals for students of all streams keep the stakeholders updated in the field of digital learning and efficient curriculum delivery. Curriculum delivery is done through application of various teaching methods such as chalk and Black board method, ICT enabled teaching learning method and developing smart class rooms equipped with LED Projectors and use of various audio-visual aids such as scientific models, charts and maps etc. To build up confidence in expression, the students are engaged in group discussions and paper presentation on assigned topics. Proper and adequate infrastructure is made available to the students in their practical classes and the same is updated through usage of lab augmentation grants every year. Students are apprised of latest development in the field of education by taking them on various educational excursions by some of the departments and trips and tour committee of the college. Experts in respective fields are invited to deliver extension talks to apprise the students of latest developments in the field of knowledge. Mentorship classes and tutorials are held regularly to tackle the problems of the students in career building and to establish an almost perfect teacher taught relationship in the college. The college administration keeps a vigilant eye on results, curriculum delivery, departmental proceedings and student needs and also keeps a record of the different activities of the college regarding teaching-learning, infrastructure development and improvements of different methods of effective curriculum delivery.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?
(maximum 500 words)

Feedback Obtained
<p>Feedback from Students: The College regularly collects feedback from undergraduate and postgraduate students. The feedback on academic growth of students is taken by teachers through class tests, quiz contests and extempore presentation in the class. Evaluation and grading of students is done on the basis of performance in class tests, allocated assignments and attendance in respective classes. Mentorship classes is the platform for taking feedback on activities and programmes being run in the college. These classes are held from 1:00 pm to 1:30 pm on 1st and 3rd Wednesday of every month. The students are counselled for career opportunities and efforts are made by the Teacher Mentors for solution of the problems raised by the students. Feedback is taken from the students on the existing teachinglearning environment. The teachermentors report the same to the Principal and he consults the members of the college council and tries to devise appropriate solution for further improvement in educational atmosphere. Feedback from Teachers: Feedback from the teachers is collection staff meetings held periodically. The suggestions extended by the teachers are heard patiently and analysed. Implementation of these is done through office orders and notices displayed on attendance registers. Feedback on curriculum improvement, academic improvement, discipline and infrastructural build up in the institution is collected from the staff and the college administration utilises those suggestions for further improvement. Feedback from Employers: Inspection teams from the Department of Higher Education visit the college campus and extend valuable suggestions to the college administration for any kind of possible improvement in the campus. Their suggestions are analysed and implemented for the improvement of educational</p>

environment. The students are apprised of job market requirement by inviting experts from various fields for delivering extension talks to them. The placement and guidance cell of the college collects suggestions from them and the feedback is reported to the authorities and due steps are taken for implementation of the same for betterment of job opportunities to the taught. Feedback from Alumni: The alumni are brandambassadors of the college. The Alumni Association is functional in the college. The meeting of the Alumni Association was held in the month of April, 2018 wherein the assembled members exchange their views on the existing academic, sports, personality development of the students and cocurricular activities in the institution. The feedback given by them is taken note of and analysed for further possible improvement in the overall scenario of the institution. The former students of this college who excelled in academics, sports, cultural, N.C.C. and N.S.S. and other cocurricular activities are invited in the college on the occasion of various functions and they extend valuable suggestions for further improvement. The college administration analyses and implements these suggestions for enhancing positive practices in the institution. Feedback from Parents: The College organised Parent Teacher Meeting on May, 2018 wherein the assembled Parents extended valuable suggestions on existing educational environment. Feedback from parents is also collected as and when they approach the college authorities to inquire about the academic progress of their wards. The valuable suggestions rendered by them are analysed and utilised for any scope of further improvement in quality of teaching, discipline, student security, sports facilities, lab facilities library facilities and student amenities.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The academic session 2017 18 witnessed the institutionalization and inception of formal and structured mentor

mentee system, which aims at a close monitoring of the students and sorting out various issues and problems they face in their academic life and even beyond that. The mentorship classes are being met in the college on the 1st and 3rd Wednesday every month from 01:00 P.M. to 01:30 P.M. shortening first six periods by five minutes each. About seventy five fulltime teachers have been assigned the duty of mentor and each teacher interacts with a group of 40 to 50 students. Only first year students of both U.G. and P.G. classes are to discuss subject related as also student related issues. The issues related to their personality development and career opportunities are also discussed. The issues pertaining to organizing extracurricular activities, library, discipline in the campus and student attendance in class are also taken up. The enrolment of students for mentorship classes is done through a proforma which is dully filled up by each student and the record of the issues and problems discussed with them is maintained. The students during this mentorship interaction, discuss with their mentor teachers, about career opportunities for them after graduation and they are also guided about various career avenues after completion of their respective courses. Moreover, the problems faced by students regarding lack of basic facilities as also library facilities are resolved by the mentor teachers as and when they are reported by the students. Our motive is to make an overall development of the personality of the students i.e. mental, physical and spiritual. We try to understand the problems of each unit/student within the frame work of a system, keeping in mind the socio economic background of the students. Mentor mentee system is also created to provide guidance to the students on academic matters and to foster a close and constructive professional relationship between the teachers and the taught. Through such system, the college has successfully adopted a well established system of counselling and monitoring the students' activities. We are using it as an innovative technique and also a tool of creativity in teaching learning, as the system aims at addressing conflicts in attitudes, habits and knowledge of the students towards learning practices. Deserving students are given part time jobs in the college through "Earn While You Learn" scheme so that they can get financial help and continue their education without the feeling of dependence and inferiority. It has always been our modest endeavour that mentees can receive advice on various topics ranging from academic to career advice. Besides, many mentorship turn into friendships that can last lifelong and have countless benefits. This bond helps the students regarding their career such as interview advice and time management as also enhances confidence and offers challenges to set higher goals, take risks and achieve higher levels. Furthermore, it provides role modelling for professional leadership and facilitates the development of increased competencies and stronger interpersonal skills.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The college has a proper mechanism for planned curriculum delivery and its effective mechanism and documentation. The college strictly follows the syllabus and internal assessment criteria fixed by the concerned university. All the teachers prepare semester wise detailed lesson plans of the prescribed syllabus to be delivered in the classroom well before the commencement of the ensuing semester .While soft copies of the lesson plans are uploaded on the college portal , hard copies of the same are prominently displayed in each department for the convenience and ready reference of students. The teachers try their level best to strictly adhere to the lesson plans and execute it in a planned and focused manner. The students are also encouraged to ask questions in the classroom and raise issues which have direct or indirect bearing on the topics including the lesson plans and the response of the students is, usually, motivating. Further, to bridge the gap between micro and macro learning, the students are constantly advised to consult internet, journals, newspapers and magazines. It also helps them abreast of the latest developments of the topics in the lesson plans. Since the class tests and assignments constitute an integral part of internal assessment system, the students are given assignments on various topics sometimes the topics of their choice and these are checked and evaluated by respective teachers. Besides, the students are also assigned topics for seminar and self study paper and they are helped in preparation and presentation of the same in classroom with the active involvement of the classmates. In each semester , at P.G. level , a self study paper of 25 marks is prescribed which intends to inculcate the habit of reading books and develop writing skills in a manner of creativity and originality. The self study paper is evaluated by the external examiner. The distribution of marks is done by the university on the basis of subject matter, organization of subject matter, conclusion, references and suggested readings. Again in the P.G. classes, every candidate will present a seminar of 20 minutes having, 25 marks, before students and teachers of the department. The evaluation of the seminar is carried out by a three member committee of the college.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Being an institute affiliated to C.B.L. University, Bhiwani, we follow the academic schedule provided by the university. Considering the academic calendar, each department functions according to the teaching plan prepared at the department level. The academic calendar is displayed on the College website and also shared with the head of the departments so as to ensure proper execution. Hardcopies of the same are also distributed among the teaching and nonteaching staff and also displayed on the college noticeboards. We have a firm belief that teachers, students, examination system, infrastructural facilities and well curriculum execution are interdependent and mutually reinforcing. An effort has been made to function all the units harmoniously. Concerned teachers provide syllabus and its outlines to their students well in time. The lesson plans are prepared by all the teachers before the commencement of each semester and the same are displayed on the college noticeboard. The university provides a proper schedule with regard to the teaching days, vacations and examination system and other social and cultural activities which is strictly followed by the college. The syllabus prescribed for each course is completed well in time by all the faculty members keeping in mind the academic calendar. The college strictly follows the rules and instructions issued by the concerned university regarding conduct of internal evaluation, theory and practical examinations. Cocurricular activities such as Sports activities,

N.C.C. and N.S.S. programmes, legal literacy cell programmes and placement cell programmes are conducted as per the guidelines issued by the university and the department of Higher Education, Haryana. Since the college has been working as a spot marking centre for many years, the evaluated answer sheets along with awards are sent well in time, so that the results can be declared without any delay. The academic calendar for the year 2017 18 is uploaded on the College website for ready reference.

Participative management The College is also committed to promote a culture of participative management by involving the Teachers and students in various activities and concerns. Most of the decisions in the college are taken after consultation with the faculty's members, staff and due consideration to the students. Strategic Level The principal, vice principal and staff members are involved in deciding the rules regulations pertaining to admission, timetable, workload, discipline, student's grievances, counselling and their training, development and placement services etc. The staffs Meetings are conducted with regular intervals, in which members meet, discuss, share their opinions for the smooth conduct of various programs and events. Functional Level At functional level the faculty members participate in sharing the knowledge by discussing during faculty meeting on the latest trends in Teaching methodologies and educational technology. Staff members are involved in deciding courses to be introduced/ discontinued and preparing proposal for augmentation and maintenance of infrastructural facilities in the institute. They are also motivated to write research papers in journals and to attend seminars/conferences/refresher/orientation/short term courses etc.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Curriculum is designed and prescribed by the affiliating university and some of the teachers of the college play important role in designing the curriculum as member BoS (Board of Studies) in the university. The college implements the curriculum effectively in letter and spirit as per the direction of the university.
Teaching and Learning	Steps taken in this direction are: a. Effective classroom teaching. b. Studentscentric additional knowledge. c. Reference of various internet sites for getting relevant material other than the prescribed books. d. Regular class tests and assignments. e. Interclass contests.
Examination and Evaluation	There is separate House Exam committee headed by Registrar, House Exam at the college level. The final examination and evaluation is done at the university level. Regular class tests are conducted. Question and answer sessions are held.

Research and Development	The college always supports the faculty for undertaking research work. It offers good reference books for the research purposes. TA/DA and Registration fee of the teachers attending seminars and conferences are paid by the college. Provision of Study Leave for perusing Ph.D. in service.
Library, ICT and Physical Infrastructure / Instrumentation	New General books, competitive books and syllabi centered books have been added in the library during 201718. Separate reading rooms for staff and students in the college library. Well equipped laboratories. Bank facility in the campus. Primary health center. Well maintained ground for sports. Badminton Court. Wellfurnished smart classrooms.
Human Resource Management	Administration of the college is decentralized. Director, Higher Education Haryana is the highest governing authority. Principal is head of administration at the College level assisted by College Council, HODs and other various committees constituted annually. Separate internal examination and evaluation branch.
Industry Interaction / Collaboration	Exposure visits and educational tours are organized every year. Campus placements are held. Send students for field work, workshops and internship programmes.
Admission of Students	Online applications are invited for admission to various UG, PG and Diploma courses. Admissions are made purely on the basis of merit against the number of sanctioned seats available in a particular course.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Administration	The E governance System is functional in the college through the system developed by the Department of Higher Education, Haryana as well as by the College Administration. The Department of higher education, Haryana issues notices and circulars through online portal, in Google sheets and through emails etc. and the College complies all the instructions through email and other electronic means. In addition, the college tries its best to keep in touch with latest electronic tools of administration such as Biometric Attendance System, WiFi facilities,

installation of CCTV Cameras in various strategic locations in the campus and communication through creation of Whats app Groups etc.

Finance and Accounts

The College collects the entire fee and funds from the students through online system of Higher Education, Haryana and uses the software of e treasuries, Haryana for billing of salary and utilisation of various grants sanctioned for the purpose of maintenance augmentation of infrastructure and other facilities. The college is also registered as a buyer on Government Electronic Market (GEM) to procure various articles/goods for development purposes. The college conducts regular audit of annual books of accounts. The administrative office keeps the all financial records separately as per the events and transactions made for. The administrative office maintains the Books of Accounts properly which helps in audit process and procedure.

Student Admission and Support

The most important key factor of the college is the transparent students admission system. The admission process in both types of course i.e. UG and PG Level is made through Online System of Higher Education, Haryana purely on merit basis and college also coordinates in this process by updating the sanctioned intake, course combinations and fee structure of all the programmes. The Scholarships are offered to deserving and needy students to encourage them to take up Higher education. This incentive falls in line with the motto of Higher Education of the State. The College also entertains the claim of such students and put them for further process through online system and get the amount sanctioned. As the amount of scholarship is sanctioned, the same is disbursed through RTGS/NEFT in the respective accounts of the beneficiaries without any delay. It is also pertinent to mention here that College has extended helping counters free of cost for the students as such filling utility for Admission forms, Examination form as well as Scholarship Forms.

Examination

The College has the separate Examination Department equipped with ICT tools necessary for examination

purposes. As per the requirement of University, all the Registration Returns, Continuous Returns of the students and examination forms are filled through the webportal of concerned university. In addition, all the internal assessment and practical awards are also uploaded through webportal of the concerned university. During the Examinations admit cards and confidential lists of the students are uploaded by the university on the webportal of the university with college login ID and the examination department download, takes the printout of the same and issues the Admit cards to students, and confidential lists to the respective centre superintendent.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Govt. College Bhiwani is a CoEducational Institute which was incepted in the year 1971 with the efforts of founder of Haryana and the then Chief Minister of Haryana Ch. Bansi Lal Ji. The college runs in two shifts morning and evening and offering courses both at UG and PG Levels. The college with its rich history of achievements in areas of academics, sports and cultural activities is held in high esteem not only by the student's fraternity but also by citizens in general. In addition to the fact that institute has completed 47 years of its glorious accomplishments, the college also intends to introduce a clean, green and a pollution free atmosphere which shows its distinctive feature to provide a healthy environment for the entire campus and an effective learning experience for students. We firmly advocate the policy of environment conservation and also aim at enabling our students reach their full potential as well as helping them find creative healthy ways to enrich both the quality of education and the quality of life at campus. Our college has distinctive campus with a range of flora in it. The college is well known for its continuous efforts to maintain the campus environment distinctive and lush green. There are uncounted trees and plants in the campus of 33 acres. The inclusion of medicinal plants at college campus i.e Tulsi, Neem, Aloe vera, Giloy, Ashwagandha and other plants like Ashoka, Parizaat and Jatropha etc. makes the atmosphere lively at campus. The college authorities ensure that the practices followed in the campus are healthy and environment friendly. To formulate the idea of green campus, a college level 'Campus Beautification and Eco Club Committee' has also been formed. The committee looks after the cleanliness, plants, trees, water supply etc. College organises regular drives of tree plantation with a wide variety of trees to make campus green. Botany Department is looking after Herbal Garden and plants of saplings received from different places. Proper guidance and training to students and staff is also being provided by Botany Department. NSS Camps have also focused on cleaning the campus, utilizing the waste water and providing healthy natural atmosphere in the campus. There are ornamentally diverse plants like China rose, Petunia, and Chrysanthemum etc. in the lawns. The college keeps on organising poster making and slogan writing competitions and other events to raise awareness among students and they are sensitized for saving water and electricity and are discouraged to use plastics. The college promotes maximum use of ICT and demotes the use of paper. There is a ban on the plastic file covers, plastic bottles, polyethene bags to promote and bringing a healthy environment in the campus. To aware the local residents and passersby of nearby areas about the environment protection our college also took initiative in the plogging activity in which staff and students picked up trash and plastic bags while jogging or walking as a way of cleaning up litter while also taking care of fitness. Thus, the college leads in redefining its values of environmental culture and developing innovative sincere paradigms by formulating sustainable solutions to environmental, social and economic needs of the mankind in real sense. We therefore, left no stone unturned in the development of a green ecosystem to provide enrichment to the mind, heart and soul of the students. In fact, the college's voluntary efforts and commitments towards sustainability

has now transformed into a mandatory and holistic approach which motivates others interest in being green and living environmental friendly.
